IQUITOS, OCTOBER, 2016

ABAC – APEC BUSINESS ADVISORY COUNCIL

- Quality Growth and Human Development." The 2016 work program focuses on the following priorities:
 - consolidating progress towards the Free Trade Area of the Asia-Pacific (FTAAP);
 - facilitating MSME(micro, small and medium enterprises) development through access to global markets and new technologies;
 - promoting economic growth, diversification, and sustainability; and
 - strengthening rule of law and economic and social sustainability;

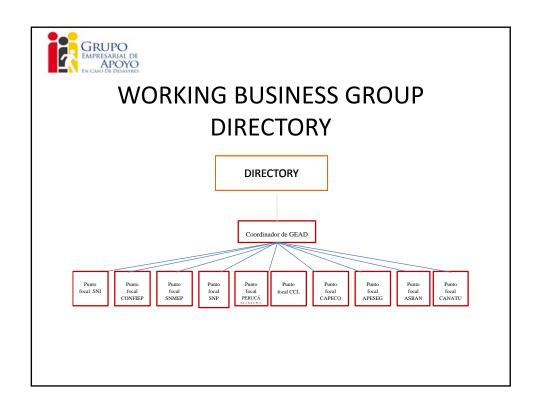

ABAC – APEC BUSINESS ADVISORY COUNCIL

- ONE FUNCTION OF THE ABAC IS:
 - Share local experiences that serve to implement in other economies.

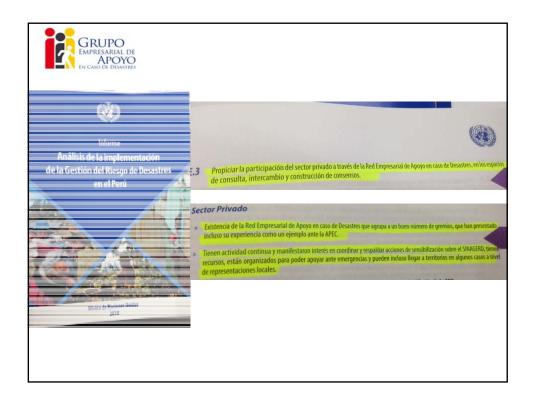

SMALL, MEDIUM ENTERPRISES FOR HUMANITY

- TO CONNECT ENTERPRISES
- SMEs for Humanity (#SME4H) is a proposed new initiative that seeks to address these gaps in coordination through the creation of an online portal that could more effectively connect SMEs with other businesses and relevant stakeholders in the humanitarian ecosystem before, during and after a humanitarian crisis.
