2022 APEC Disaster Resilience Workshop (2022APECRW)

APEC Resilient Science and Technology for Capacity Building

- be inclusive, balanced, sustainable and resilient

18th Emergency Preparedness Working Group Meeting

15th Senior Disaster Management Officials' Forum

18 - 20 August 2022, Chiang Mai, Thailand

Main Theme

- To explore the approach of **networking for synergies** to achieve **sustainability** as well as to build **resilience** and enhance **preparedness** against future shocks
- To **review DRR policies** and fully discuss the issues and best practices for **inclusive, balanced, sustainable and resilient** recovery over Covid-19
- To engage regional efforts and institutions for building a **smart policy making framework** to lead **capacity building** program for cross-border Public Private Partnership under COVID-19 spreading on **People's Well-being, Food and Agriculture Security** for Sustainable growth
- To highlight “**Resilience**”, “**Science & Technology**”, “**Balance**” and “**Connectivity**” for APEC Resilience City/Community (ARC) over Covid-19 to contribute the APEC family as a whole of society.

Objectives

2022 APECRW focuses on **Innovative Sustainability** for Inclusive growth through smart technology and continued to promote **APEC Resilient City/Community (ARC) initiatives** to carry on the fruitful outcomes of EPWG for **mitigating vulnerability** and **enhancing disaster resiliency** on:

- Sharing the **best practices** for ARC
- Sharing smart resilient city **planning**
- Promoting on demands **capacity building** program
- Showcasing **female's** contributions on ARC initiatives
- Synergizing **regional resources** for ARC

Project Timeline to implement 2022 APECRW
